NOTIFICATION

*Shimla-2, the 28th February, 2001*

No. IPH (3) 18/86 Vol. III.—In exercise of the powers vested in him under section 5 of the Himachal Pradesh Water Supply Act, 1968 (Act No. 8 of 1969), the Governor, Himachal Pradesh is pleased to fix/enhance the following rates for water supplied through private connections in rural/urban areas of Himachal Pradesh as under :—

## RURAL AREAS :

	<i>Domestic</i>	<i>Commercial</i>
Water supplied through private connections.	Rs. 20.00 for each connection.	Rs. 50.00 for each connection.

- (i) To involve the Panchayats in management of community assets and to increase community participation it is decided that the water charges be shared with the Panchayats in the ratio of half and half. It is also decided that user charges shall be recovered by Panchayats/PRIs. The Panchayats/PRIs will deposit 50% of amount collected bi-monthly with the concerned Assistant Engineer, of IPH Department and the first charge on the same shall be of the IPH Department/Government. Responsibility to recover the arrears shall be of Panchayat/PRIs.

- (ii) The Panchayat will have the freedom to charge more than Rs. 20/- and to retain the excess over Rs. 20/- (in addition to Rs. 10/-).

## II. URBAN AREA (EXCEPT SHIMLA TOWN) WHERE WATER SUPPLY SYSTEM IS MAINTAINED AND DISTRIBUTED BY IPH DEPARTMENT:

*Domestic connections*  
Rs. 2.00 per KL

*Commercial connections*  
Rs. 4.00 per KL

- (i) Meters shall be installed and maintained by the consumers to the satisfaction of the Department within four months of the new rates being notified.
- (ii) Till meters are installed, upto four months a flat rate of Rs 40/- per connection per month shall be charged.
- (iii) In case the meter is not installed within four months from the date of notification, a flat rate of Rs. 60/- per connection per month shall be charged. Thereafter, as a penal measure and to ensure that meters are installed, the rate will double every four months.
- (iv) in case of commercial consumers they will install the meters within two months. Till then the average consumption being charged at present will continue. If meters are not installed within two months, the average rate of consumption will be doubled. To ensure installation of meters, this will double every two months thereafter.

### Rates

- III. (a) For Bulk Supply to Municipal Committees other than Shimla and to Housing Board etc. Rs. 1.50 per KL
- (b) Bulk Charges for M. C., Shimla Rs. 4.00 per KL  
The M. C. should then revise their rates accordingly.
